

I'm good

The Mowgli's

I'm good, I'm good, I'm good, I'm good
Living life just like I should
Wouldn't change it if I could
I'm good, I'm good, I'm good

I'm good, I'm good, I'm good, I'm good
Living life just like I should
Wouldn't change it if I could
I'm good, I'm good, I'm good

Trying to figure out who I am
Or who I'm supposed to be
Feel _____ about where I stand
So I can make the most of me-I'm
Coming back down from space
A million miles away
There's a lot of _____ in this place
(Oh) and I'm just trying to say

good

love

I'm good, I'm good, I'm good, I'm good
Living life just like I should
Wouldn't change it if I could
I'm good, I'm good, I'm good

what

friends

It's been a long time living this way
Worrying _____ people say
Feeling like I won't fit in
But I won't give up, no I won't give in
We're looking for something more
What you're really looking for
It's been with you since you were born
Since you were born

I'm good, I'm good, I'm good, I'm good
Living life just like I should
Wouldn't change it if I could
I'm good, I'm good, I'm good

You only live once
I'm good with myself
I'm there for my _____
Til the very end
(2x)

I wanna see another love revolution
Find a way to be a better person
If we come together like we should
We could all be good
