Most firms would put you in front of

Have your license

The client it out

To get him the goddam contract

I did not it

In the middle of an economic

Companies aren't to spend money on attorneys right now

If you hadn't done as much for me as you have, I'd be the door.

No more

As straight as an

I got for lying to a client

If I you under the ,you're going to me with you

Do not pass it

Don't tell anyone I laid it on you

I'll knock it out of
