The best day of the week

Hi! My name is Hanson. My family and me watch a movie every Friday in the afternoon we have called this time "the cinema hour". I really enjoy **1)**_____.

First, my mom asks **2)**_____ if my little brother and me are ready. I know that the most important rules for **3)**_____ are to have the bedroom tidy and then have the homework finished. Since my brother is younger than me I usually help **4)**_____ with his homework.

So, I tell my mom yes, we are ready! Next, we help **5)**_____ to prepare the pop corn and my dad goes to the kitchen to prepare some fruit.

We always have strawberries and mangoes in the freezer. My mom and my brother like these fruits but, honestly I don't like **6)**_____, I prefer grapes and pineapple.

After that, we move to the living room to choose the movie in Disney plus, this platform offers a lot of movies to see if you don't have Disney yet, I recommend **7)**____ to try it!

Finally, we play the movie, we eat and laugh and have fun.

This is my favorite day of the week!
