Grammar: needs doing / have something done

13 Match the two parts of the conversation.

a The washing machine is not working well again. .....
b Your hair is too long. .....
c You have a flat tyre, you know. .....
d There's a button off your shirt. .....
e The boiler is broken. It's not heating the water. .....
f I love the colour of your hair. .....
g Is your printer working? Mine's broken. .....

1 It needs repairing. I'll phone the gas company.
2 Use mine if you want. Have you got your disc with you?
3 Thanks. I had it done this morning.
4 I know. I'm having it cut this afternoon.
5 Yes. I have to get it changed.
6 I'll have it mended when I take it to the cleaners.
7 Well, you need to have it serviced every year.
