#### Lesson 6: Composing and Decomposing

##### Instructions

Please answer each question carefully.

1. Decompose the numeral using expanded form: 67 million, 38 thousand, 12

2. Decompose the following numerals as you did in BUILD.

	Word Form	Decomposed
2	nine million, four hundred forty thousand, two hundred twenty	
3	six milliard, nine hundred million, ten thousand four	
4	eight million, seventy thousand, two hundred	
5	twenty-seven hundred
