I WISH YOU WOULD

Listen to the song and fill each blank with ONE word.

It's 2 A.M. in your car, windows down, I pass my street; the memories start
You say it's in the past, you drive straight ahead
You're thinking that I hate you now
'Cause you still don't know what I never said

(*) *I wish you would come back*
Wish I never hung up the phone like I did, I
Wish you knew that
I'd never forget you as long as I live, and I
Wish you were right here, right now, it's all good
I wish you would

It's 2AM in my room. Headlights pass the window pane, I think of you
We're a crooked love in a straight line down
Makes you want to run and hide
But it makes you turn right back around

Repeat (*)

(**) *I wish we could go back and remember what we were fighting for, and I*
Wish you knew that I miss you too much to be mad anymore, and I
Wish you were right here, right now, it's all good. I wish you would
(I, I, I, I, I, I wish I, wish I) x 3

(***) *You always knew how to push my buttons*
You give me everything and nothing
This mad, mad love makes you come running
To stand back where you stood
I wish you would, I wish you would

2AM, here we are
See your face, hear my voice in the dark
We're a crooked love in a straight line down
Makes you wanna run and hide
But it made us turn right back around
