

PAST SIMPLE TENSE: Positive with V-ED

FORM

I, You He, She, It We, They	walked
-----------------------------------	--------

- Add **ed** to regular verbs. The verb is the same for all persons: *I, you, she, he, it, we* and *they*.

Notes

- Spelling:

like →
study →
stop →

liked
studied
stopped

Verbs ending in:

e, add **d**.

consonant + **y**, change **y** → **i** + **ed**

vowel + consonant, double the consonant and add **ed**.

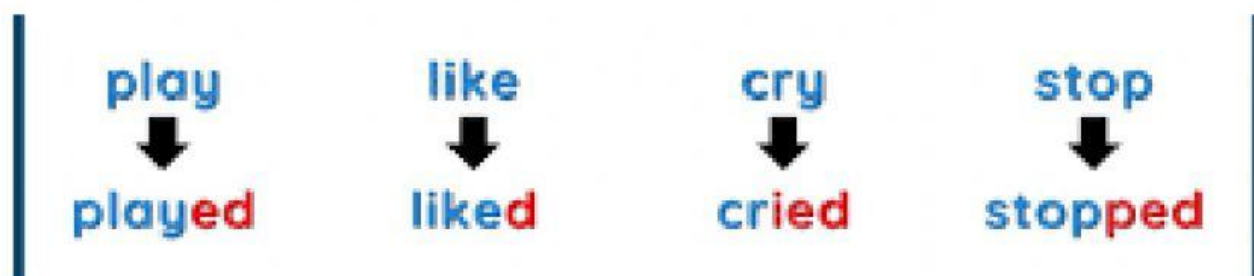

- **y** and **w** at the end of a word are not consonant sounds. So verbs ending in **y** or **w** do not double the consonant:

play → played

- See Appendix 2 on spelling rules.

USE

- We use the past simple to talk about the past.
