

# Into the Forest

I like nature.

I like going to the forest on weekends with my family.

We like climbing the mountains in the forest.

There are many trees and beautiful plants in the forest.

There are a lot of animals living there, too.

We bring some fruit and bread for a snack.

There is a big lake near the forest.

Sometimes we go fishing there.

There's a lot of fresh air and fresh water all around.
