

THRILLER -MICHAEL JACKSON-

It's close to midnight / midday
Something mean / evil is lurking from the dark
Under the moonlight / moon
You see a sight that almost stops your heart
You try to shout / scream
But terror takes the sound before you make it

You start to freeze
As fear / horror looks you right between the eyes
You're paralysed

'Cause this is thriller
Thriller night / tonight
And no-one's gonna save you
From the beast / bear about to strike
You know it's thriller
Thriller night
You're fighting for your life
Inside a monster / killer
Thriller tonight, yeah
