### Task 3: Read and decide T/F

I'm Jade. I don't like the heat of summer and I don't like the cold of winter. My favorite season is autumn. Autumn has the most pleasant weather of the season. It's sunny and windy. It doesn't rain too much and the weather is quite cold and cloudy. Because it is not too hot, it is suitable for going out and having a picnic. You can play many games in the fall. Before the start of the new school year, my father often let me go to my grandparents' house to play. Here, I can fly kites with my friends. There is no such game in the city. In autumn, the dry leaves begin to fall. The yellow leaves are nice. I like to sit by the window and watch autumn like that. I feel so peaceful.
