I am happy	So do I	So am I
We are tired	So am I	So are I
He was late	So did I	So was I
I have got a car	So do I	So have I
I will go to London	So will I	So go I
Tom can swim	So can I	So, swim I
We could see the stars	So see I	So could I
He should study more	So should I	So study I
I had eaten too much	So did I	So had I
I would like a cake	So would I	So like I

He is happy
I was hungry
They play the guitar
I visited London
I could swim
We should go
He can cook
I will buy a new car

So do I
So did I
So am I
So was I
So can I
So could I
So will I
So should I
