Main Idea and Supporting Details

**Main Idea**

The main idea is the most important point of a text.

**Supporting Details**

These details describe or explain the main idea of the text.

## Classwork Practice:

Story B: Washing your hands is an important way to stay healthy during flu season. The flu is often spread by touching places where sick people have been. Washing your hands is one of the best ways to protect yourself from getting the flu. To do a good job of cleaning your hands use an antibacterial soap and wash for at least 20 seconds. If you don't want to get the flu – make sure to wash your hands often!
