

MATHS EXAM

4 TERM

1. Select the number from 1-10 according to the audio

2. Count and complete the addition

3. Organize the numbers from 10-20

The worksheet shows a grid of boxes for organizing numbers. The first row contains the number 10 in a brown box, followed by three empty boxes, and then 14 in a blue box. The second row contains an empty box, followed by 16 in an orange box, an empty box, 18 in a pink box, an empty box, and another empty box. Below the grid, there are two rows of numbers: 13 (green), 20 (brown), 6 (orange), 12 (blue), 9 (pink), 7 (green), 19 (green) in the first row; and 15 (red), 11 (yellow), 4 (green), 2 (yellow), 17 (purple) in the second row.

4. Select the correct number according with the audio.

The worksheet shows five speaker icons on the left, each corresponding to a row of three numbers in colored ovals. The numbers are: 11 (pink), 13 (orange), 15 (blue) in the first row; 20 (brown), 19 (red), 14 (green) in the second row; 12 (blue), 11 (pink), 16 (purple) in the third row; 17 (yellow), 18 (green), 19 (red) in the fourth row; and 12 (blue), 14 (green), 18 (green) in the fifth row.
