This year you will be expanding your ability to narrate/create in 3 different time frames: present, past and future. You will use the mastery expressions as the foundation to expand your level of proficiency. It is imperative that you have a solid knowledge of all the mastery expressions in the present tense before we begin to add the ability to narrate in the past tense. Finally don't forget mastery expression go with infinitivos! Do not use the subject pronoun, the ending tells you who it is.

The best way to learn them is to practice. Keep in mind the color coding and review the purpose of the mastery expression.
