

Green Eyes by COLDPLAY

Honey you are a rock upon I stand
And I come here to talk, I hope you understand

green eyes

Yeah, the spotlight shines upon you

And how could anybody deny you

I came here with a load, and it feels so much lighter

Now I met you

Honey you should know I could never go on
Without you

Green eyes

Honey you are the sea upon I float
And I came here to talk, I thought you should know

green eyes

You're the one I wanted to find
And anyone tried to deny you must be out of their mind

And honey you should know I could never go on
Without you

Green eyes, green eyes, ohohoh

Honey you are a rock upon I stand
