

## SOCIAL SCIENCE REVIEW

**1** What does each worker do for a living? Fill in the gaps.

A crop farmer cultivates \_\_\_\_\_ to obtain fruit and vegetables.

A fisherman catches \_\_\_\_\_ in the sea.

A breeder raises \_\_\_\_\_ to obtain products.

A miner extracts \_\_\_\_\_ from the earth.

**2** Choose raw materials:

juice

carrot

ring

gloves

milk

yoghurt

wool

**3** Look and complete the processes with the words below.

raw material

manufactured product

2 What kind of services does each person provide? Match.

1

2

3

4

5

keeps us safe

entertain us

teach us

transport people and goods

take care of our city
