Unit 8

Unit 8 Extension

Pair A

1 Work in pairs. Read about Carlos. Then answer the questions. Write full sentences.

Carlos is a scientist and he works at a university. He gets up at 7.30 and he has breakfast with his wife. He starts work at nine o'clock and he finishes at 5.30. He has sandwiches for lunch. After work, Carlos goes cycling. Then he has dinner. In the evening he sometimes plays the piano and reads detective stories. He goes to bed early.

At the weekend, Carlos goes to bed late and gets up late. In summer, he plays tennis and he goes swimming. In winter, he goes skiing in the mountains. On Fridays, he goes to the cinema. On Saturdays, he has dinner in a restaurant with his friends. Carlos likes weekends!

1 Where does Carlos work? _____

2 Who does he have breakfast with? _____

3 What time does he finish work? _____

4 What does he have for lunch? _____
