The screenshot shows the Microsoft PowerPoint interface with the 'Animations' tab selected. A red star is centered on the slide. The 'Add Effect' dropdown menu is open, showing a list of animation effects: 1. Blinds, 2. Box (highlighted), 3. Checkerboard, 4. Diamond, 5. Fly In, and More Effects... The 'Custom Animation' task pane is visible on the right side of the slide, showing a list of animation effects: Entrance, Emphasis, Exit, and Motion Paths. The 'Add Effect' button is highlighted in the task pane. The 'LIVEWORKSHEETS' logo is visible in the bottom right corner.
