Household bills Homework

Apartment A3 has 5 tenants. Every month, each tenant receives an Electricity Bill. Their charges are as follows:

Electricity Bill

Fixed charge	$550BBD
Cost per WATT	75 cents

Calculate the cost each tenant must pay for this utility if they used the following WATTs for the month of April:

	WATTs Used	Cost of Electricity
Mr. Uno	390	
Mr. Dos	485	
Mrs. Tres	210	
Mrs. Four	165	
Ms. Five	570	

Use the dollar sign ($), comma (,) and decimal point (.) where necessary. Show your cents!
