

Write the notes in the boxes below in your Language Arts notebook. Then complete the assignment below.

Pronouns take the place of nouns. Pronouns tell about one person, place or thing. Examples:

Tina grows corn. **She** grows corn.

Pronouns also can tell about more than one person, place or thing. Examples:

The apples are ripe. **They** are ripe.

Pronouns must match the words they replace. Look at the chart to see which pronouns replace which words.
