

Grouping Animals: Movement and Body Covering

1. Grouping animals by their body covering. Study pictures below and write down the body covering of the following animals.

2. Name ONE animal (for each question) that matches the descriptions in the table below. These questions will be marked manually, hence no grades will be shown.

Descriptions	Animal's Name
1. Hair or Fur and Jumps	
2. Scales and Crawls	
3. Moist Skin and Crawls	
4. Smooth Skin and Swims
