LIVEWORKSHEETS

MINJI TOWN

D. Read and answer.

Many students at our university have interesting hobbies. Dewar is 19 years old. **He likes** dancing, playing guitar, designing internet sites, doing puzzles, and playing chess.

Andrew is almost 22 years old. **His hobbies** are playing soccer, tennis, basketball, and swimming.

Emma is 20 years old. **She likes** painting pictures, reading, and writing poems.

Peter is 18 years old. **His hobbies** are collecting stamps, fishing, and making paper crafts. **Our pupils do** many interesting things, and they are very busy.

They also **love** different subjects. Dewar is the best student at math. Andrew is one of the best students at PE. Emma is good at art and literature and Peter is good at science and art. **Their hobbies** help **them** to **study** well too.

1. **Write T (true) or F (false).**

Peter's hobby is math.	
Playing guitar is Dewar's hobby.
