SONG: Don't you want me

Complete the song with VERBS in past simple or past participle:

You were workin' as a waitress in a cocktail bar
When I _____ you
I _____you out, I shook you up and _____ you around
Turned you into someone new
Now five years later on you've _____ the world at your feet
Success has _____ so easy for you
But don't forget, it's me who _____ you where you are now
And I can put you back down too

[Pre-Chorus: Philip]
Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
It's much too late to find
You think you've _____ your mind
You'd better change it back or we will both be sorry

[Chorus: Philip]
Don't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?

[Verse 2: Susan Ann Sulley]
I was working as a waitress in a cocktail bar
That much is true
But even then I _____ I'd find a much better place
Either with or without you
The five years we have _____ have been such good times
I still love you
But now I think it's time I live my life on my own
I guess it's just what I must do
