Happy to help

A. Read the text and write (T) for true or (F) for false according to the text.

1. Serena Zara Taufiq was 7 years old when she found out that her younger sister, Sharleez Zara, was diagnosed with autism.

2. "Serena's Secret" is to raise funds for the family economy.

3. Many others with autism were deprived of therapy because they are costly.

4. Serena's Secret has made close to RM200,000 in profit, all of which has been used to fund therapy sessions for autistic children and buy therapy equipment similar to the tools that helped her younger sister.

5. Serena's Secret sells 20 types of products, including slimes and bath bombs, an idea mooted by Sharleez's twin sister.

6. The parents came up with the idea to raise funds for Sharleez's therapy.
