Present Simple - READING COMPREHENSION

1- Read the text carefully...

Alex is an American boy. He lives in Los Angeles, California. He lives with his family in a modern house. He is eleven years old and he has got an older brother, David, and a younger sister, Emma.
He starts his day at about half past seven. He gets up, goes to the bathroom, takes a shower, brushes his teeth and gets dressed. Then he has breakfast and at a quarter to eight he leaves home and catches the bus to go to school.
Classes begin at half past eight. He usually has lunch at the school canteen at half past twelve. After school, at quarter past five, he goes home. There he does his homework and when he finishes it he helps his Mom setting the table. At half past seven the family has dinner all together. Alex is a very helpful boy, so he helps his mother cleaning up everything after dinner. He usually watches TV a while after dinner and at about ten o'clock the most he brushes his teeth again, puts on his pajamas and goes to bed. His parents always kiss him good night before he gets asleep. Alex is a very happy boy.
