May was alone at home one night. She was reading a book (1) _____ her room. It was such an exciting book that she could not put it down. The moment she came to the last page of the book, she heard a knocking (2) _____ the door. May looked at the clock (3) _____ her table. It was already past midnight.

The knocking became louder. May went (4) _____ the door. She looked (5) _____ the peephole. She could not see anyone. May opened the door slowly. There was a red box on her doorstep. May was puzzled. Who had knocked at the door? What is in the red box?
