COUNTRY MUSIC

Country music is one of the most popular kinds of music in the United States. It is popular because it is about simple, but strong, human feelings. As life becomes more complicated and difficult, it is good to hear about simple, ordinary people.

Country music comes from two kinds of music. One is the traditional music of the people in the Appalachian Mountains in the eastern United States. The other is traditional cowboy music from the American West.

Today, country music is popular everywhere in the United States and Canada. There are more than a thousand radio stations that play country music twenty-four hours a day. People in many countries around the world also enjoy country music and they even sing it in their own languages.
