

Class 12

Topic: Fruits and vegetables

Name of the teacher: Luz Johana Alvarado Torres.

The Apple and the Banana

One day an apple said to a banana,
"You are shaped like the moon."

The banana said, "Yes, I know, and I'm also
the same colour as the moon."

The apple said, "I'm bright red. Some of my family
are green and some are yellow like you.
When people eat me it makes a crunchy sound.
That's because I'm hard."

The banana said, "When people eat me it doesn't make any
sound. That's because I'm soft."

"We are both fruits, we both taste nice and we are both healthy
foods," said the apple and banana together.

Questions (answer in full sentences)

1. Which fruit is shaped like the moon?

2. Which fruit can be red, green or yellow?

3. Why do apples make a crunchy sound when you eat them?

4. What is the same about apples and bananas?
