Read Gina's email. Then check (✓) four things you can do at places in her neighborhood. (4 POINTS)

Hi Brittany!

Guess what! I moved into my new apartment yesterday. I really like my new roommates. I also like the neighborhood. There are a lot of different restaurants here. Last night, I ate at a Mexican restaurant just around the corner. The food was delicious. I want to try a new Japanese restaurant near here soon. For breakfast this morning, I came to this great coffee shop across from my apartment. Actually, it's an Internet café, too, so I'm emailing you from here now.

It's a really convenient neighborhood. There's a grocery store on our street, and there are some interesting stores, too. One store sells the newest computers and cell phones. I might get a computer there, and then I can email you from home! My roommates told me there's a great park just two blocks away. I want to start jogging every weekend.

Come and visit soon!
