

SURABAYA GRAMMAR SCHOOL

Name: _____

Class: _____

Quotient and Remainder

1. Divide into groups of 5.

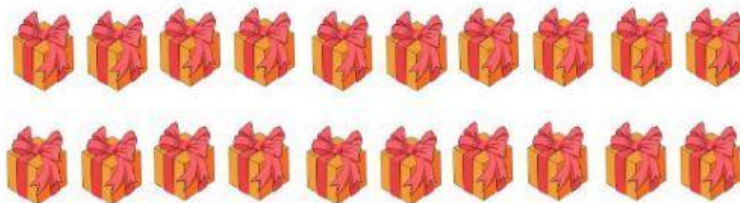

- a. How many groups of 5 can you form? _____
b. How many items left over? _____

So,

$$11 \div 5 = \text{___} R \text{___}$$

2. Divide into groups of 6.

- a. How many groups of 6 can you form? _____
b. How many items left over? _____

So,

$$20 \div 6 = \text{___} R \text{___}$$

3. $32 \div 5 = \text{___} R \text{___}$

4. $27 \div 6 = \text{___} R \text{___}$

5. $35 \div 10 = \text{___} R \text{___}$
