### Spend Time with Family and Loved Ones

When was the last time you (1) \_\_\_\_\_ your family and close personal friends that you (2) \_\_\_\_\_ them?

Whatever your answer, do it today. A few days ago my grandfather (3) \_\_\_\_\_ to hospital, just days after his (4) \_\_\_\_\_ birthday, for heart problems.

He (5) \_\_\_\_\_ (already) heart surgery, and this time, just as in the past, he managed. But any day can be his day, the day when it (6) \_\_\_\_\_ too late to tell him how much he (7) \_\_\_\_\_ to me over the years.

(8) \_\_\_\_\_ that day (9) \_\_\_\_\_ for your loved ones without (10) \_\_\_\_\_ them what they mean to you.

I know that for many of us, (11) \_\_\_\_\_ those kinds of feelings isn't easy. That's true for me, but I (12) \_\_\_\_\_ to overcome those barriers since I understood it. But even if that's too difficult for you, I recommend you (13) \_\_\_\_\_ more time with your family or (14) \_\_\_\_\_ friends. Talk to them. Listen to them. Understand them. Just (15) \_\_\_\_\_ a little time with someone (16) \_\_\_\_\_ that you care. It's our actions, not just our words, that really speak what our hearts (17) \_\_\_\_\_ for the person now.
