Comparing Bar Graphs Practice

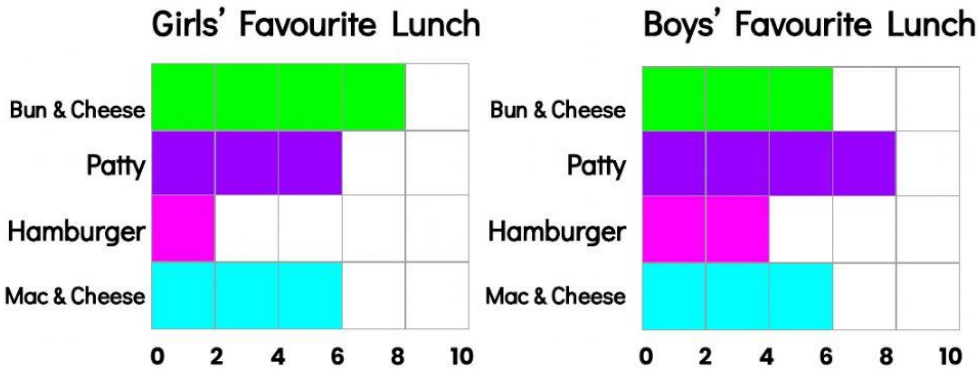

1. **Count by 2s.**

2				10				18	
	24				32		36		40

2. **Drag and drop to tell if the keywords give us clues to add or subtract.**

ADD +	SUBTRACT+	KEY WORDS	
		in all	both
		how many *more*	less than
		altogether	how many *left*

3. **Miss Smith took a survey of Grade 2's favourite lunches.**
Use the bar graphs to answer the questions.

a. What are the bar graphs about?

b. Each square = how many students?
