VOLUME

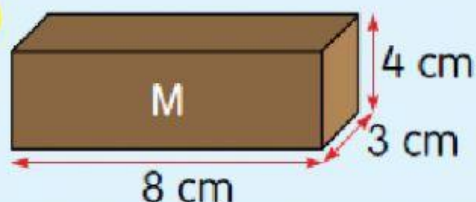

Calculate the volume of cube L, cuboid M, and a tissue box.

a

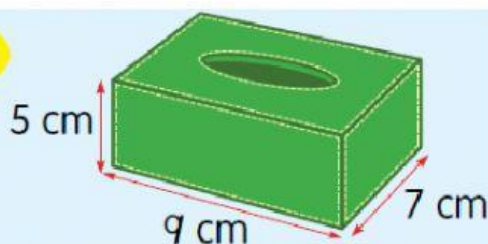

Volume of cube L
= length x width x height
= _____ cm x _____ cm x _____ cm
= _____ cm³

b

Volume of cuboid M
= length x width x height
= _____ cm x _____ cm x _____ cm
= _____ cm³

c

Volume of tissue box
= length x width x height
= _____ cm x _____ cm x _____ cm
= _____ cm³
