

Who ate the chocolate cookies?

INSTRUCTIONS. Read the information of each character and find the **guilty** one. More than one answer is possible.

Lina is a model; she is on a free sugar diet. She does exercise for 2 hours a day.

She can't have eaten the cookies.

He is Bruce. He eats a lot of candies, and he loves chocolate, but he is allergic to it.

He is Canelo Alvarez. He is a very disciplined boxer. His diet has to be high in protein. His nutritionist forbids him the carbohydrates.

Her name is Samantha. She has broken up with her boyfriend, so she is depressed. She is in the mood for some hazelnut cream, but there is none in the pantry check.

Today is a rainy day, so Rita and Sue met in a cafe.

They asked for a hot coffee and a piece of carrot vegan cake. That is the only dessert they can have.
