

The background is a teal color with a large, light blue rectangular area in the center. At the top of this area is a yellow lightbulb with rays emanating from it. Scattered around the lightbulb and the edges of the light blue area are several red and yellow stars, as well as small yellow circles. At the bottom of the image, there is a cartoon illustration of a child with dark, curly hair, wearing an orange shirt, and holding a magnifying glass over an open red book. The child is surrounded by various school supplies, including pencils, a ruler, and a protractor. The overall theme is educational and creative.
