

EXERCISE 1:

Yati has some flowers in her garden.

The pictogram below shows the number of flowers for each colour.

Pink	Purple	Yellow	Red
			

Each  stands for 1 flower.

Fill in the blanks with the correct numbers.

(a) She has _____ pink flowers.
(Hint: Count the Pink flowers)

(b) She has _____ more red flowers than pink flowers.
(Hint: Red flowers subtract pink flowers)

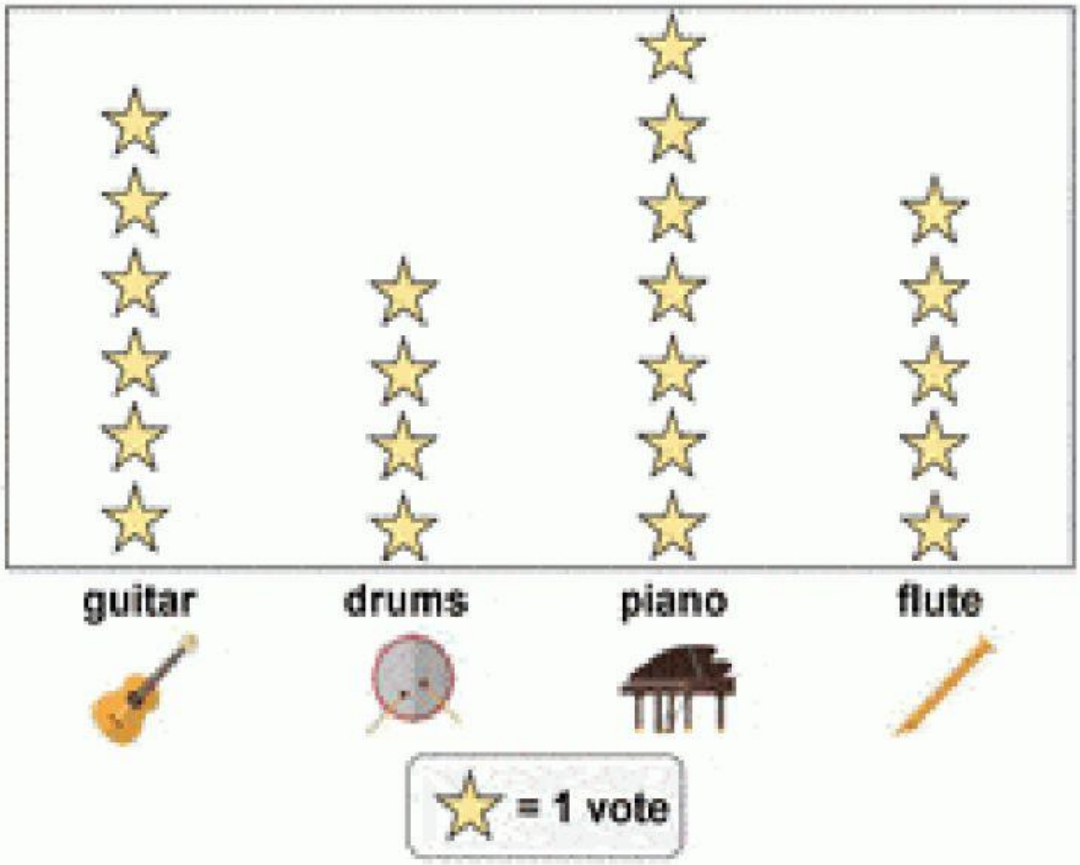

(c) She has _____ fewer yellow flowers than purple flowers.
(Hint: Purple flowers subtract Yellow flowers)

(d) She has _____ flowers altogether.
(Hint: Add all flowers (Pink, Purple, Yellow, Red)
