

Name: _____

Date: _____

It is Time to Practice!

1. Read Paulo Londra's short biography.

Paulo Londra is an Argentinian rapper and singer. He is highly successful across Argentina and Latin America. Londra **became**

well known through his hit song "Nena Maldición". From that moment on, Londra **published** several famous songs. Unfortunately, in May 2020, Paulo Londra **confronted** a conflict against "Big Ligas", his music producer. His fans **realized** it through Instagram. The problem **was** that his music producer **manipulated** Londra's contract and **cheated** him to have the rights to his songs. A lot of famous artists like Duki, Nicki Nicole, María Becerra and Abel Pintos **supported** him using the hashtag #FreePaulo. For that reason, Paula Londra **did not sing** any song during that year. Fortunately, Paulo Londra **won** the court case this year. However, he **could not sing** any song because the case is not closed.

2. The following verbs are in the infinitive form. Change them into the past and write them into the correct column. Take into account if they are regular or irregular verbs.

Publish - Become - Realize - Cheat - Confront - Be - Sing - Win - Can - Support

Regular	Irregular

3. Complete the following sentences using the verbs between brackets. There are both positive and negative sentences.

- Paulo Londra _____ K-pop songs. (publish)
- The music producer _____ Paulo Londra's contract. (manipulate)
- Paulo Londra _____ during 2020. (Sing)
- Paulo Londra _____ the court case. (Win)
- He _____ well known though his books. (become)

4. Answer the following questions about Londra's biography. The first one is an example.
