

Heal the world

There's a place in your heart
And I know that it is love
And this place it was brighter than
tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel there's no hurt or
sorrow

There are ways to get there
If you care enough for the living
Make a little space
Make a better place
Heal the world
Make it a better place
For you and for me, and the entire human
race

There are people dying
If you care enough for the living
Make a better place for you and for me
If you want to know why
There's love that cannot lie
Love is strong
It only cares of joyful giving
If we try we shall see
In this bliss we cannot feel
Fear of dread, we stop existing and start
living

Then it feels that always
Love's enough for us growing
Make a better world
So make a better world

Heal the world
Make it a better place
For you and for me, and the entire human
race
There are people dying

If you care enough for the living
Make a better place for you and for me
And the dream we were conceived in will
reveal a joyful face
And the world we once believed in will shine
again in grace
Then why do we keep strangling life
Wound this earth, crucify its soul?
Though it's plain to see, this world is
heavenly
Be god's glow

We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords into
plowshares

We could really get there
If you cared enough for the living
Make a little space
To make a better place
Heal the world
Make it a better place
For you and for me, and the entire human
race

There are people dying
If you care enough for the living
Make a better place for you and for me
Heal the world
Make it a better place
For you and for me, and the entire human
race
There are people dying
If you care enough for the living
Make a better place for you and for me

1. With this song, the singer encourages us to ... for other people who live in sadness or in difficulty. *
 - a. leave
