

This is planet Earth. Planet Earth is our home.

Now, our planet is sick.

But don't panic! You can help!

There are three things we can do to take care of it:

We can reduce , reuse  and recycle .

LET'S PRACTICE!

1. Choose a topic (reduce, reuse or recycle) and make sentences.

- Elegí un tema (reducir, reusar o reciclar) y hace oraciones. -

REDUCE

For example:

We can reduce plastic bags. We can replace them with cloth bags.

We can reduce plastic spoons. We can replace them with metal spoons.

REUSE

For example:

We can reuse glass bottles. We can make water containers.

We can reuse jars. We can make food containers.

RECYCLE

For example:

We can recycle plastic. For example: plastic bags, bottles, wrappers, pots, spoons, etc.

We can recycle glass. For example: bottles, broken glass, jars, etc.

2. Read your sentences outloud. Pay attention to pronunciation!

-Lee tus oraciones en voz alta. Presta atención a la pronunciación! -
