

**Letra de la canción de Adele, Hello, en inglés (english lyrics)**

Hello, it's me...  
I was wondering  
If after all these years you'd like to \_\_\_\_\_  
To go over .....

They say that time's supposed to heal you  
But ain't done much healing  
Hello, can you hear me?  
I'm in California dreaming about who we  
used to be

When we were younger and free  
I've forgotten how it felt  
Before the world fell at our feet  
There's such a difference between us  
And a million miles  
Hello from the other side  
I must have called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call  
You never seem to be home  
Hello from the outside  
At least I can say  
That I've tried to tell you  
I'm sorry for breaking your heart  
But it *don't* matter  
It clearly doesn't tear you apart anymore  
Hello, how are you?  
It's so typical of me  
To talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
Where nothing ever happened?  
It's no secret that the both of us  
Are running out of time  
Hello from the other side  
I must have called a thousand times  
To tell you I'm sorry

For everything that I've done  
But when I call  
You never seem to be home  
Hello from the outside  
At least I can say  
That I've tried to tell you  
I'm sorry for breaking your heart  
But it *don't* matter  
It clearly doesn't tear you apart anymore  
Oh, anymore...  
Hello from the other side  
I must have called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call  
You never seem to be home  
Hello from the outside  
At least I can say  
That I've tried to tell you  
I'm sorry for breaking your heart  
But it *don't* matter  
It clearly doesn't tear you apart anymore
