Steps to Make a Garden

If you want to make a garden, here are the steps.
First, pick out where you want your garden to go.
Next, dig up the dirt to make holes for your seeds.
Then, put the seeds in the holes.
Put dirt over the seeds and water them.
Then, wait and watch and water some more.
Last, small green leaves will poke through the ground.
Your plants will grow as you wait, watch, and water.
That's how you make a garden in your yard.
