

Here ____ go, here ____ go
Feel better now, feel better now
Here ____ go, here ____ go
It's better now, feel better now
Do ____ remember when we fell under?
Did ____ expect me to reason with thunder?
I still remember ____ time was frozen
What seemed forever was just a moment
Hurry up, hurry up
There's no more waiting
We're still worth waiting saving

Shining in the dark of night
Remember what ____ forgot
I know ____'s a long shot
But we're bringing it all back, ____'re
bringing it all back

Shining like the stars tonight
____ what ____ forgot
I know it's a long shot
But we're bringing it all back, we're
bringing it all back
Here ____ go, here ____ go
Feel better now, feel better now
Here ____ go, here ____ go
It's better now, feel better now
____ still remember when things were broken
But put together, the cracks will close in
Hurry up, hurry up
There's no more waiting saving
We're still worth saving

Shining in the dark of night
Remember what ____ forgot
____ know ____'s a long shot
But we're bringing it all back, we're
bringing it all back

Shining like the stars tonight
Remember what ____ forgot
I know it's a long shot
But we're bringing it all back, we're
bringing it all back
____ and ____ can have it all tonight
So let's bring it back ____ to light
Now ____ have another chance to fly
Another chance to make it right

Shining in the dark of night
Shining like the stars tonight
Remember what we forgot
I know it's a long shot

Shining in the dark of night
Shining like the stars tonight
Remember what we forgot
I know it's a long shot
But we're bringing it all back, we're
bringing it all back
Here ____ go, here ____ go
Feel better now, feel better now
Here ____ go, here ____ go
It's better now, feel better now
