

Pleasant sounds and noises

Miss Fati

waves on the beach

Read and listen:

We hear different sounds every day. Some sounds are made by humans and some by nature. Some sounds are pleasant. Waves on the beach and birds singing are **pleasant sounds**. Some sounds are unpleasant.

birds singing

traffic

Traffic is an unpleasant sound. Unpleasant sounds are **noises**. We can't see sounds or noises, but we can hear them.

Strum a guitar

We can make pleasant sounds and noises by strumming and striking objects. We can **strum** instruments like guitars and we can **strike** instruments like drums with our hands or sticks. When we strum a guitar softly, it makes a pleasant sound. If we strike a drum hard, it makes a loud noise.
