

OPINION ESSAYS

Rich developed countries are the most irresponsible

Write a paragraph for each reasoning. Include convincing facts.

rich developed countries have changed their own energy policies – must offer aid to help poor countries to develop new policies – poor countries do not have the resources- Ex: reverse deforestation in the Amazon

FIRST PARAGRAPH:

To give reasons: My main reason is... - One reason for.... is... -Many people say / consider that...

Express facts: It is a well known fact that... - Research has shown that... - It is clear that - I also believe that - Moreover

Explain facts of on the subject and give your opinion.

rich developed countries do not look after the environment - the high levels of contamination which surrounds us. developed countries have more industries - produce more contamination. -this is the result of consumerism – they grow their economies by burning fossil fuels and spewing carbon from their factories, homes and cars

SECOND PARAGRAPH:

Express others' opinions: many people make a mistake when stating that – Moreover, it seems to me that recent research can't support this belief –

Giving examples: for example, for instance. Such as,...

rich developed countries are very irresponsible - developed countries do not do enough to protect the planet - we should all be more careful with our planet.

THIRD PARAGRAPH:

Express opinion: As far as I'm concerned - as I see it - I totally/strongly (agree/ disagree) with It seems to me that - From my point of view I honestly think that...

Use an opposing viewpoint to reinforce your opinion

All in all, - On the whole it is clear that.... - To sum up.... In order to finish, if it depended on me, I would definitely support / reject this posture.

CONCLUSION:

Summarize your opinions with different words
