A great summer holiday

By Mark Johnson

My summer holiday was so fantastic that I never wanted it to end. I spent eight days in Paris, France with my best friends: Henry and Steve. We had a beautiful hotel room in the Latin Quarter, and it wasn't even expensive. We had a balcony with a wonderful view.

We visited many famous tourist places. My favourite was the Louvre, a well-known museum. I love art, so that was a special treat for me. The museum is enormous, you could spend weeks in there. Henry got tired walking around the museum and said "Enough! I need to take a break and rest."

We had lots of breaks and sat in cafes along the river Seine. The French food we ate was delicious. The drinks were tasty too. Steve's favourite part of the holiday was the hotel breakfast. He said he would be happy if he could eat croissants like those forever. We had so much fun that we're already talking about our next trip together!
