

## Part 2

Read the story. Choose a word from the box. Write the correct word next to numbers 1–6. There is one example.

Sloths are some of the most fascinating mammals. They move only when necessary and when they do, they move very slowly. They sleep more than any other (1) \_\_\_\_\_. They have huge (2) \_\_\_\_\_, small heads, big (3) \_\_\_\_\_, and long legs. You almost can't see their ears because they are tiny. They seem to be smiling all the time because of their facial coloring. They live in the (4) \_\_\_\_\_ of Central and South America. They eat buds and (5) \_\_\_\_\_. Sloths live in the (6) \_\_\_\_\_, where they hang upside down with their big claws. They come down from the trees once a week to go to the bathroom!

Now choose the best name for the story. Tick one box.
