

Arctic Monkeys - Do I Wanna Know?

Complete the following song with the missing words

Have you got colour in your?
Do you get that that you
can't
The that sticks around like
summat in your?
Are there aces up your?
Have you no that you're in deep?
I've dreamt about you every
night this
How many secrets can you keep?
'Cause there's this tune I found
That me think of you somehow
And I play it on repeat
Until I fall asleep
Spilling on my settee

(Do I wanna know)
If this flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the were mainly made
For saying things that you can't say
tomorrow day
..... back to you
Ever thought of calling when you've had a
few?
'Cause I always do
Maybe I'm too busy being yours to fall
for new
Now, I've thought it through
Crawling back to you

So have you got the guts?
Been if your heart's still open
And if so, I wanna know what time it shuts
Simmer down and pucker up
I'm to it's just I'm
..... on the cusp
Of trying to kiss you
I don't know if you feel the same as I do
But we could be together if you wanted
to

(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the nights were mainly
For saying things that you can't say
..... day

Crawling back to you (crawling back to
you)
Ever thought of calling when you've had a
few? (You've had a few?)
'Cause I do ('cause I always do)
Maybe I'm too (maybe I'm too busy)
Busy yours (being yours)
To fall for somebody new
Now, I've thought it through
Crawling back to you

(Do I wanna know)
If this feeling flows both ways?
(Sad to see you go)
Was sorta hoping that you'd stay
(Baby, we both know)
That the nights were mainly made
For saying things that you can't say
tomorrow day

(Do I wanna know?)
Too busy being yours to fall
(Sad to see you go)
Ever thought of calling, darling?
(Do I wanna know?)
Do you want me crawling back to you?
