## "Never not" (Lauv 2018)

Listen to the video and choose the word that corresponds.

We were so beautiful  
We were so  
No other magic  
Could ever

I myself, seventeen  
Then you came, me  
No other magic  
ever compare

There's a  
In my heart with the memories we  
Took 'em down but they're still in their  
There's no way I could ever , hmm

For as long as I  
And as long as I  
I will never not about you  
You, hmm  
I will not think about you

From the moment I  
I you were the one  
And no whatever I  
Ooh, hmm  
I will never not think about you

What we had  
Once in a lifetime  
For the rest of mine  
Always

To the room  
In my with the memories we made  
Nights on fifth, in between B and A  
There's no I could ever forget, hmm

For as long as I live  
And as long as I love  
I will not think about you  
You, hmm  
I will never not think about you

From the I loved  
I knew you were the one  
And no matter whatever I do  
Ooh, hmm  
I will never not think you

Didn't we have ?  
Didn't we have fun, looking back?  
Didn't we have fun?  
Didn't we have fun?

Didn't we have fun?  
Didn't we have fun, back?  
Didn't we have fun?  
Didn't we have fun?

We were so  
We were so tragic  
No magic  
Could ever compare
