

LET'S CHANGE OUR LIFESTYLE!

Healthy activities  
SITUACIÓN SIGNIFICATIVA

En nuestra comunidad se evidencia altos índices de obesidad y vulnerabilidad de las personas frente al COVID-19, por ello se ha iniciado la campaña "Be active", con nuevos estilos de vida en cuanto a la alimentación y las actividades físicas. Se ha convocado tu apoyo para preguntar a otros adolescentes como tú sobre sus estilos de vida. ¿Qué preguntas realizarías a las personas de tu entorno más cercano para conocer sus estilos de alimentación y práctica de actividades físicas? ¿Qué instrumento utilizarías para recoger esta información? ¿Qué recomendaciones brindadas por la OMS compartirías a las personas que desean cambiar sus estilos de vida y proteger su salud?
