

CALL OF THE WILD

Turn up, explain our
Pull back the veil of mystery
..... written on the cave is
The Great Alpha is our
Show us the of chemistry
..... us to the source of our
No one her identity
But she like you, identically

..... is how we're livin' our
Livin' our lives, livin' our lives, yeah
Can you feel the call to the wild?
Call to the wild, the call to the wild
We are the call, we are the call
We are the call to the wild

I see a real
Unique, but you..... unity
You know who you're supposed to be
Release to the rhythm totally
I the vibe when you're close to me
And you can feel it too, or hopefully
Now look up, and tell me what you see
A bunch of stray wolves or a family?

This is how we're livin' our lives (hey)
Livin' our lives (hey), livin' our lives, yeah
Can you feel the call to the wild? (Hey)

We are the call, we are the call
We are the call to the wild
We are the call, we are the call
We are the call to the wild

Hold up, before do, let me interrupt
She's a cheerleader, not an Alpha
You're in the den, but you'll need to earn my trust
Now me what you got if one of us

Livin' our lives, livin' our lives, yeah
Can you feel the call to the wild? (Can you feel? Hey)
